Welcome

We are already well past the halfway mark of this dance season. The first competitions are behind us, and there is intense training underway for Dansfestival, April 12th. You will find more information about this in this newsletter.

Additionally, in this new newsletter, we are calling on parents who would like to join us in brainstorming and contributing to the development of our new website.

Behind the scenes, we are also planning activities for the upcoming dance season, which is our anniversary year!

We are looking forward to making the next few months truly special together!

Reflection dance competition 15 February 2025

On Saturday, February 15th, all five selection groups traveled by bus to Drunen for the first competitions of this dance season. The atmosphere was great, and everyone gave their best effort. It was an afternoon filled with two shows full of beautiful dances, energy, fun, and beaming faces!

The C19 group also came home with a well-deserved second place!

Although the other groups didn't win any awards, it was a great rehearsal for the upcoming competitions. On April 6th, four groups will again participate in the preliminary rounds of the KNGU competitions.

We wish everyone lots of fun and success in advance!

Information Dansfestival – 12 April 2025 – NEW LOCATION

We have many new members this year, so we'd like to explain what the Dansfestival is all about.

This year, the Dansfestival will be held at a new location: Sporthal De Buitenhof in Delft.

During the Dansfestival, dance groups from various clubs will show their rehearsed dances to the audience. We organize several shows with all kinds of dance styles. Of course, we'll ensure beautiful lighting and great sound. It will be a day full of passion for dance!!!

Shows

There will be 3 shows. Almost all classes from Dancin' Delft will also participate. Each class will perform in one of the 3 shows. The difference from our theater show is that other clubs will also participate this time.

Audience

Everyone is welcome to come and watch. Entrance fees are € 6,00 per spectator, per show. Tickets can be purchased on the day of the event at the venue.

IMPORTANT: NEW LOCATION

In early March, the board was informed that the PostKogeko Hall could no longer be used due to safety and health concerns. This was a huge shock, but we immediately explored alternative venues. We're pleased to announce that we've successfully found a new location!!

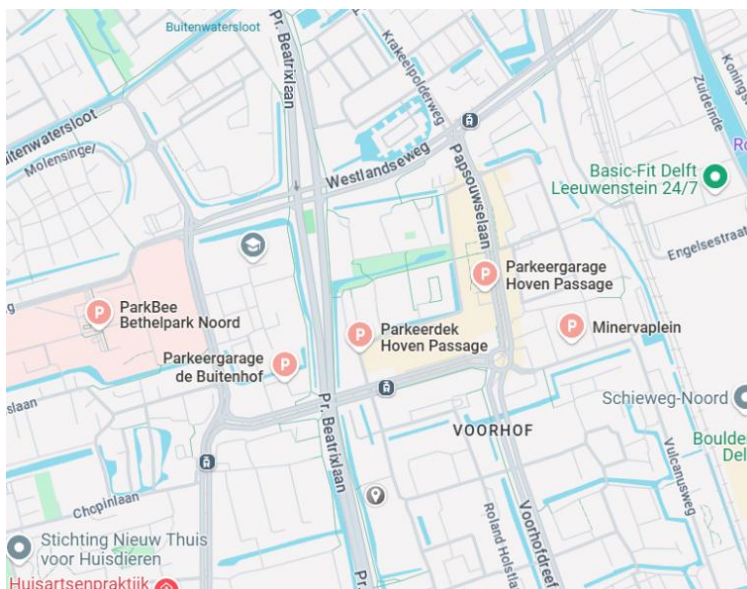

We're very happy about this and we're determined to make this day just as wonderful as the one in Schipluiden.

NEW LOCATION: Sporthal De Buitenhof, Duke Ellingtonstraat 2, Delft

Parking

There are various parking spaces and garages around the sports hall; please see the map. **Please note:** for the evening show, some garages close earlier, so keep that in mind.

Do you want to know which show you'll be dancing in? Ask your coach. Once the program for the 3 shows is finalized, we'll publish it on our website and in the ClubAPP.

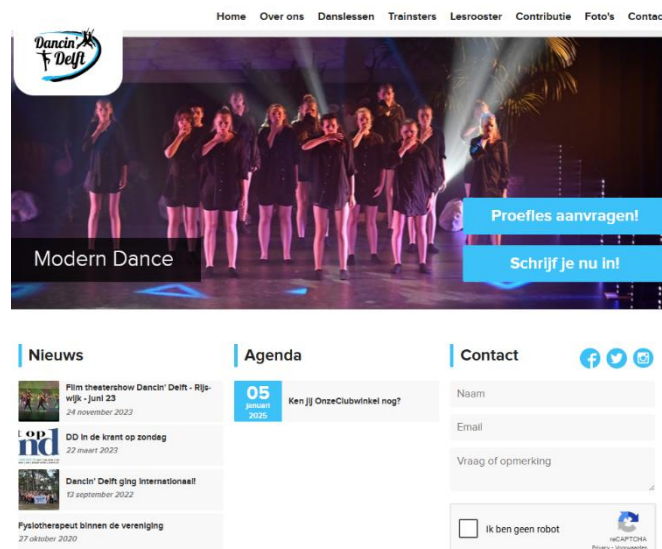

Call for help! Website developer / communications specialist

We are looking for enthusiastic parents who would like to brainstorm and help with building our new website. Do you have experience in web design and/or content writing? Your help would be greatly appreciated!

Together, we can create a new website that is not only beautiful and modern but also clear and user-friendly, where both new and existing members can easily find the right information.

If you're interested or have any questions, please send an email to voorzitter@friends4dance.nl and mention your area of expertise and the contribution you can and would like to make.
